25X1A

1. Due to Sadat's visit, your briefing for next Wednesday, 9 April has been cancelled. [] should find out on Monday whether it has been rescheduled for next week or simply put off until the next regularly scheduled one (the President's appointment office was very confused today and did not seem to know what was going on). []

2. Notwithstanding the Wednesday cancellation, we have proceeded with preparations for the briefing. Attached are the following materials:

- a. [] (black notebook). This has been revised. Please note any further changes desired. Once we confirm the date/time of briefing we will set up another review session. _____ OK _____ Set up anyway.
- b. [] Folder contains revisions following Pre-Brief. Use as handout for President? _____ or turn over to PDB as article? _____
- c. [] Folder contains latest redo. You may want to consider how (and if) you get this to President if there is no briefing next week.
- d. Handouts. Also attached is folder with possible publications from which you might want to choose one or more to deliver to the President. []
